To Whom It May Concern:

This letter is to address Miss. Jessica Jenkins. I had the pleasure of hiring Jessica and having her work on our marketing team. I can say that it is hard to come by dedicated, hard-working employees with a drive to learn more. However, Jessica is all of these things. She was punctual and always arrived to work with a positive attitude. Her ambition to dive head first into task was very much appreciated. She also brings forth knowledge of web development and digital marketing. While she was with us she was able to exercise her current knowledge as well as expand her skills in other areas of marketing, such as social media management and content marketing.

We are sure that Jessica will be an asset to any team she joins. Her previous knowledge, her drive to learn more, and dedication to her work are all strengths that she holds that are sure to set her apart. We wish her the most continued success and hope that you take the opportunity to have Jessica on your team. If you should have any questions regarding her qualifications and work experience in further detail, please feel free to reach me directly at lauren@businesshouse.club or 270.401.3323.

Sincerely,

Lauren Jones Drompt
